About Me

I'm a 20-year-old web developer passionate about building functional and beautiful web apps. I love learning new tech and improving my skills every day. Outside of coding, I enjoy airsoft, cars, and skateboarding, which keep me motivated and inspired. My goal is to create smooth, innovative apps that make a real impact and to always push myself to get better.

Web Development Skills

Strong proficiency:

HTML, CSS, JavaScript, SASS, Tailwind CSS, Responsive Design.

Currently learning / Intermediate:

React, TypeScript, Framer Motion, Git, Vercel, Sanity CMS, JSON, Figma, Framer Motion, Stripe, Next.js.

Planned to learn:

Node.js, MongoDB, Express.js, Redux, GSAP, Three.js, Advanced React, Advanced TypeScript, JavaScript (deep dive).
